
PETER TRUSCOTT

- **Former UK Energy Minister**

**LONDON
SPEAKER
BUREAU**

Lord Truscott was the UK's Energy Minister from 2006-7. Since then he has been involved with a number of publicly listed and private companies in the energy and mining sectors.

Truscott represented Hertfordshire in the European Parliament between 1994-99, and was the Government's Foreign Affairs and Defence Spokesman and Vice-President of the European Parliament's Security Committee.

An expert on Russia, Truscott has written a biography of President Putin, amongst other books, and many articles on Russia and the CIS. He has given expert evidence on Anglo-Russian relations to the House of Commons Foreign Affairs Committee.

He was Visiting Research Fellow with the Institute for Public Policy Research, and has written reports on European Defence (IPPR), on political risk management in the energy and defence sectors (RUSI), and European Energy Security (RUSI).
