Quoted as one of the three most influential futurists in the world, Vito Di Bari is an innovation strategist and an inspirational keynote speaker with a global reputation for excellence. Based in Miami, FL, he is celebrated for his captivating and entertaining presentations that leave audiences enthralled. As an esteemed former professor of Project Design and Management of Innovation at both the Polytechnic University and Bocconi University in Milan, Vito brings a wealth of academic and practical experience to the stage.

Vito is the only keynote speaker who has given a TEDx Talk in five world continents. He has also served as the Executive Director for the IMI Institute of UNESCO in Paris and was appointed as the Innovation Designer for the World Fair Expo 2015 in Milan. In 2001, he founded Next Media Lab, an international cutting-edge research laboratory, where he currently serves as CEO. After moving to Miami Beach, he founded Di Bari & Associates, a design studio creating one-of-a-kind artistic urban installations.

A prolific author, Vito has published numerous works on innovative theories and contributes to prestigious magazines such as WIRED and Harvard Business Review. He has also appeared as a host for television's Discovery Channel and the Italian broadcasting network Italia 1.

Vito's clients praise him for his expertise in innovation, technology, and addressing the challenges of the future, with an ability to engage and captivate the audience. His presentations are known to be entertaining, insightful, and energetic, covering a wide range of industries. He has a talent for making complex topics accessible and relevant, inspiring audiences to think about how technology will shape our lives, businesses, and the world around us.

Clients book Vito Di Bari to discuss a range of topics, including the influence of innovation on various industries, the role of technology in decision making, and its impact on businesses and lives. They are interested in his views on IoT, AI, and emerging technologies, and how they can be leveraged for business advantage. Clients seek insight on leadership, vision, and how to anticipate and adapt to change, as well as understanding the future of specific industries.

Vito delivers impactful messages with a view of the near and mid-term future, highlighting how to innovate and stay ahead of the market. His presentations empower business partners, conveying the importance of technology in shaping the present and future. Clients appreciate Vito's focus on delivering engaging, thought-provoking content that leaves audiences uplifted, challenged, and inspired.
