- Author
- Creativity

Wayne Hoffman is a multi-award winning performer who is recognised as one of the top mentalists in the world. He currently tours the world with his show “Mind Candy”, and also tours a motivational speech entitled “The Power and Potential of The Human Mind”. Hoffman is also a published author, and has written the best-selling book “Mind Candy”.

Wayne Hoffman is self-taught in sociology, psychology and human behaviour, which has helped develop the art of magic skills he now possesses. Hoffman travels the world speaking for theaters, exclusive events, cruise ships, casinos etc.

Some of his best accomplishments are: performing in 74 different countries, fooling Penn and Teller on their hit show, “Fool Us”, featuring on “America’s Got Talent” and winning multiple awards including Variety Artist of the Year and Mentalist of the Year.
